YOUR GUIDE TO THE WORLD OF SONIC THE COMIC (STC) & SEGA. PRESENTED BY YOUR HOST, MEGADROID.

CONTROL ZONE

Hey, Boomers,

It hardly seems a whole fortnight since I last spoke to you - but here I am again with some good vibes for my favourite humes (that's you lot!).

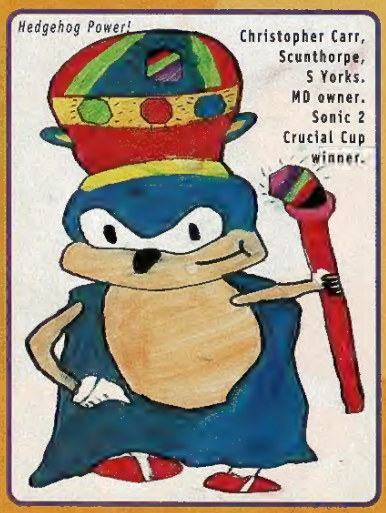
A certain speedy blue hedgehog has his patience pushed to the limit by a DIY disaster area! That old sea-dog Captain Plunder's back for a brand new series, only this time he's joined by the slippery Spice Maidens! Tails fans watch out, your fave fox is undergoing a change of personality in Flip Side! Amy, Tekno and Johnny stumble across suspicious goings on in Crawling from the Wreckage, plus there's another Badnik Pin-up and a Zany Amy Zone.

Time for me to wreak havoc and mayhem around the office by going on a cappucino sit down strike (don't ask, just trust that I'll be up and hovering in time for the next issue).

Megadroid

ART ARREST!

So many of you talented *STC* artists send your hard work in to the office each week, but only a few pictures get printed. This is partly due to lack of space as *STC* cannot print everything that arrives. Follow the guideines below for a chance of *STC* fame and your work will stand a better chance of being selected.



1. Be original! Don't just copy pictures out of the comic - come up with your own ideas as they do get noticed (even if they're not printed straight away, they're stored away in an artwork file!).
2. Avoid using pencil or crayons as they're difficult for the printers to photograph.
3. Please write your name and address clearly on the back of each picture (if your picture is printed, we need to know where to send your prize to).
4. Please accept *STC*'s apologies as we're unable to return drawings and photographs.
5. Keep practising (how do you think the *STC* artists got to such a high standard!).

Dear *STC*,

One of your creative humes, Lew Stringer worked for Marvel Comics on Transformers comic in 1991 and did a story called Combat Colin which also featured his assistant, Automatic Steve. I enjoyed it so much I wanted to know if you could please pull out all the stops and start printing Combat Colin in *STC*?

Ryan Mascord, Hastings, Sussex.
Sonic 2 Crucial Cup Winner.

'fraid not, Ryan, for one thing Combat Colin doesn't have enough fuel in his Combat Rocket to reach Planet Mobius!
